### *Offering Envelopes*

It is our desire to better serve you and assure accuracy in our contribution recordkeeping. If you do not currently have offering envelopes, you can indicate your desire to receive them on your Communication Card or you may call the church office at 586.445.8910. We would be pleased to send them to you.

## *Cornerstone Website*

Our website is still in progress, but now has a new look and some new features. It has a calendar that is directly linked to our official church calendar where you have the ability to sign up for some of the events online. Soon you will also be able to check your giving records and make your contributions online. This section will be password protected. Be sure to check out the updated website!

We need YOUR help! If you are the last one to leave a room in the church building, could you please be sure that the lights are turned off? Or if you see lights on in a room and no one is using the room, would you be kind enough to turn off the lights? With everyone's cooperation, we can be more responsible with the use of our electricity. Thank you!
